THINGS TO THINK ABOUT...

Price Excludes:

1. Transport To And From Wilderness.

Reducing Our Environmental Impact

As The Wilderness is a secluded spot we like to preserve its privacy and therefore allow only limited access by private car for those who really need it.

We have 35 parking spaces for your guests vehicles plus there are an additional 10 parking spaces for guests who are glamping. To preserve the environment encourage car sharing wherever possible & WE ASK THAT if you are having more than 90 guests they should arrive BY PRE-ARRANGED BUS please. Guests tell us they love the shared anticipation of arriving together and feel good that they are doing their bit to reduce impact on the environment by reducing car journeys.

Please note you should also allow 10 car parking spaces for supplier vehicles within the total car count.

2. Civil ceremony/ partnership fees.

We will book your Civil ceremony at the time of your choice & ceremony fees are paid directly to Kentish Ceremonies or Church of England.

3. Catering.

You must choose between one of our accredited catering partners. The caterers provide linen, crockery, cutlery, kitchen equipment as well a catering manager and staffing for the occasion.

4. Wild Roots Pizza Shack.

We have our very own Pizziola's at The Wilderness who make delicious woodland inspired, stone baked Pizzas. We caters for vegan, vegetarian and gluten free. (Wild Roots is suitable for evening food only).

5. Glamping.

This is a separate business, run by Izzy, and all hire fees are paid direct to 'Glamping at Preston Court Limited.'

6. Ari's Aperitivos. (included in the cost of the Festival Package & available as optional extra to Full Day & Twilight Packages).
